## Online Lessons

If you're unable to work with Ryan in person, join him remotely for this next best option. Interested students simply need to share two swing videos recorded with a smart phone or tablet - one from a face on view and one from a down the line view. These can be taken indoors or outdoors from home, preferably while hitting a ball of some sort (foam, wiffle, actual), or of course from a practice range or golf course. Ryan will follow up with a voice over video and swing critique, as well as provide helpful drills that can be performed at home, the range, or golf course. Please email Ryan @[rkempski@deerfieldgolfclub.com](mailto:rkempski@deerfieldgolfclub.com) prior to booking for clarification on swing video exchanges and payment protocol.
